

2nd class

Note for Parents/ Guardians:

Hi everyone,

We hope that you are all keeping well. The following slides feature a 'menu' of work for the boys to complete over the next two weeks. Each subject will be broken into tasks and we ask that the boys complete one task from each subject to the best of their ability. We realise this is a stressful time, so do not feel under pressure to complete everything.

Look after yourselves and hopefully we will see you all soon.

Second class teachers.
