

5th class SESE Remote learning

27th April-8th May 2020

Welcome back everybody!

We hope you are all well and that you enjoyed your Easter break! We have lots of fun activities for you to get stuck into this term.

Remember! These powerpoints include a 'menu' of activities. We do not expect you to complete every task. Please just try your best and choose topics and activities that interest you most.

Contacting your teachers

- Parents can contact their son's teacher via email

5thClassTeacher@hollyparkbns.ie

- Please don't hesitate to contact us if you or your son have any queries. We are happy to answer questions and give feedback on your child's work.
- Please include the teacher's name in the subject line of your email.

It's project time!

The Brief:

Complete a project based on a country of your choice.

- Spend a little time each day completing the project for the next **two weeks**.
- You can find information in books that you have at home or online (always with the permission of a parent/guardian).
- You can present the project in any format you like- e.g. scrapbook, poster, power point, word document, video.
- We would love to see your work! **If you would like to**, you can send your project to your teacher via email- take photos of handwritten projects to send!

Your project should be...

- Neatly presented
- Full of interesting information
- Complete with text (hand written or word processed) and pictures/images
- Use the topics on the following slides to help you.
- Reminder! You do not need to complete every topic below – just try your best!

Parts of your project

Fact file

- Give key information on your country: capital city, language, currency, population etc.
- **Flag:** include a drawing/image of the flag. Give a brief history about it.

Climate

- What weather does this country experience? What are the seasons like? How does this affect the people there?

Geography

- I. Explain where your country is located- continent, bordering countries/oceans/seas.
- II. Give the size of your country, use maps to show this if you can.
- III. Research the longest river, highest mountain and other interesting geographical attractions.

Parts of your project cont...

History

- Give details of important people, key date and events.
- A timeline would be useful here- copy / print the example provided.

Food and Drinks

- Find details of drinks or dishes, which come from your chosen country.
- Are there any traditional dishes that are served at a particular time of year?
- Include images, drawings, recipes or menus.
- Are you a budding chef? Why not try making one of the dishes!
